Even couple makes an arch and the odd couple ducks under. Odd couple breaks hands with partner (but not with even couple) and goes individually around even couple, gent to his left and lady to her right. As the odd couple goes around, they pull the even couple around one half in place. Even couple is now facing other direction with arms crossed and odd couple is standing behind them facing even couple's backs.

Odd couple makes an arch and even couple backs through this arch. Odd couple turns back (turning towards each other) to face even couple and goes under an arch made by the even couple. Odd couple turns back, going under their own arch, while evens turn back to reform the small circle. Circle to a line.
